

THE WARREN EWERT PERPETUAL TROPHY "DEED OF GIFT"

Jan and Bill Lahey, Audrae and Jerry Olson, Huntington Harbour Yacht Club and Little Ships Fleet of Long Beach, in memory of Warren Ewert, presents to the Southern California Yachting Association a Perpetual Trophy - to be known as the "WARREN EWERT MEMORIAL TROPHY" - to be awarded in recognition of any person who has served Southern California Yachting Association with distinction in the true Corinthian Spirit.

The Commodore, Vice Commodore and Rear Commodore of Southern California Yachting Association shall elect the person to receive the award - which shall be made annually at the Installation Meeting - if there is a worthy recipient, but in the absence thereof, need not be made each year.

At such time as the award is made as herein provided, the name of the recipient and the year of the award shall be engraved upon the Trophy and the recipient shall be entitled to the possession of the Trophy, or to have same deposited in his Yacht Club during the term of the award.

Southern California Yachting Association shall fully maintain the Trophy and carry such insurance as may be necessary to replace or repair said Trophy at the discretion of the Board of Directors of Southern California Yachting Association.

The Board of Directors of Southern California Yachting Association may modify this deed of gift where they deem such change beneficial to the promotion of yachting or to improve the competition for or the enjoyment of the Trophy.

The Trophy shall remain the property of Southern California Yachting Association or it's successor unless the Association ceases to exist; at which time the Trophy shall first be offered to the Donors and if not returned to same, then to such other organization as may, through it's use, best promote yachting.

The Trophy shall never become the property of any one individual or organization other than Southern California Yachting Association or it's successor.

Approved by The Board of Southern California Yachting Association on 1700 1980.

## SOUTHERN CALIFORNIA YACHTING ASSOCIATION

Minutes of the BOARD OF DIRECTORS Meeting -- SCYA

Hosted by Silver Gate Yacht Club -- November 8, 1986

---

Trophies - The question was raised concerning the method of choosing and awarding the Webster and Ewert Trophies as well as designating Honorary Commodores for SCYA. The following policy was reaffirmed by the Board of Directors:

- 1) The Webster Trophy honoree is selected and the trophy awarded by the incoming commodore.
  - 2) The Ewert Trophy honoree is selected by the three current Commodores and the trophy is awarded by the outgoing commodore.
  - 3) Honorary SCYA Commodores are selected by the incoming commodore.
-
